A copy of the application, all documents and evidence relied upon by the applicant, and applicable criteria are available for inspection at no cost and will be provided at reasonable cost. Comments must be directed toward the applicable criteria identified above or other criteria of the Comprehensive Plan or land use regulation which you believe apply to the decision. Failure to raise an issue with sufficient specificity to afford the Community Development Department and the parties an opportunity to respond to the issue precludes an appeal based on that issue. Comments from interested parties must be received within 20 days of the date this notice is mailed. Only those parties who comment in writing on the proposed development will receive mailed notice of the decision on the request.

The Community Development Department's decision may be appealed by the applicant, or a party who responded in writing, by filing a Notice of Appeal within 15 days after the written decision is mailed. Appellants should contact the Community Development Department concerning specific procedures for filing an appeal with the City. If an appeal is not filed with the City within the 15-day period, the decision of the Community Development Department shall be final.

The Community Development Department reserves the right to modify the proposal and no further public notice will be provided.
