Appellants should contact the Community Development Department concerning specific procedures for filing an appeal with the City. If an appeal is not filed with the City within the 15-day period, the decision of the Historic Landmarks Commission shall be final.

The public hearing, as conducted by the Historic Landmarks Commission, will include a review of the application and presentation of the staff report, opportunity for presentations by the applicant and those in favor of the request, those in opposition to the request, and deliberation and decision by the Historic Landmarks Commission.
