YOU ARE RECEIVING THIS NOTICE BECAUSE THERE IS A PROPOSED LAND USE APPLICATION NEAR YOUR PROPERTY IN ASTORIA

Notice is hereby given that the Astoria Community Development Department has received the following request:

1. Permit Extension Request (PE22-02) regarding Variance Permit (V20-16) by Richard and Mary Wikstrom to exceed lot coverage and vary from front and rear yard setbacks on a substandard sized lot, to demolish an existing garage and build a new dwelling at 1468 2nd Street (Map T8N R9W Section 18AD, Tax Lot 01301; Lot 31 and 32, Block 1, Tract A excluding West 10 feet for street purposes; subdivision by Sund, Nikula and Edison) in the R-2 (Medium Density Residential) Zone. Request is to extend permit expiration date one year to October 14, 2023. Astoria Development Code Standards 2.060 to 2.095, and Articles 9 and 12, and Comprehensive Plan Sections CP.005 to CP.025 (General) and CP.060 to CP.065 (South Slope) are applicable to the request.

In accordance with Astoria Development Code Article 9, a decision on the request will be processed administratively by the Community Development Department.

A copy of the application, all documents and evidence relied upon by the applicant, and applicable criteria are available for inspection at no cost and will be provided at reasonable cost. All such documents and information are available by contacting the Community Development Department by mail at 1095 Duane Street, Astoria, OR 97103, by email at planning@astoria.or.us or by phone at (503) 338-5183.

All interested persons are invited to express their opinion for or against the request by letter addressed to the Community Development Department, 1095 Duane St., Astoria OR 97103. Email transmissions may be sent to planning@astoria.or.us. Comments must be directed toward the applicable criteria identified above or other criteria of the Comprehensive Plan or land use regulation which you believe apply to the decision. Failure to raise an issue with sufficient specificity to afford the Community Development Department and the parties an opportunity to respond to the issue precludes an appeal based on that issue. Comments from interested parties must be received within 20 days of the date this notice is mailed. Only those parties who comment in writing on the proposed development will receive mailed notice of the decision on the request.

The Community Development Department's decision may be appealed by the applicant, or a party who responded in writing, by filing a Notice of Appeal within 15 days after the written decision is mailed. Appellants should contact the Community Development Department concerning specific procedures for filing an appeal with the City. If an appeal is not filed with the City within the 15-day period, the decision of the Community Development Department shall be final.

The Community Development Department reserves the right to modify the proposal, and no further public notice will be provided.
