

June 21, 2023

Dear Patrons of the Astoria Aquatic Center,

I wanted to reach out to notify you that as of July 1, 2023, we will implement a moderate increase to the rates the Parks and Recreation Department charges for use at the Aquatic Center. We understand that there is never a good time to raise fees and our staff team has worked very hard in the past year to reduce costs and streamline operations in order to require the smallest increase we can afford, while still maintaining safe oversight and maximum opportunities for use. To best offset sustained operations, we will be raising our adult, senior, and youth drop-in rates by \$0.50, increasing our monthly pass rates by \$5/month, and raising the price of swim lessons and lane rentals. We will also be introducing an annual pass option that will feature a price break for patrons who wish to purchase an entire year's worth of use at one time for a discounted rate. The entire list of price changes is attached for your reference.

Our intent is to continue to provide excellent service at the Aquatic Center to Astorians and our many neighboring communities, and we rely on revenue generated by fees to be able to keep our facility running for everyone's use. We greatly appreciate the investment our community makes to keep the pool and fitness areas open and in good condition, and we are eager to continue to be good stewards of this amazing local asset.

Thank you so much for your ongoing support and use of our wonderful facility. Astoria is fortunate to have this unique community resource and we would not be able to continue to serve our patrons without the fees you all contribute toward our operations. If there are ways we can better serve you or your family, please do not hesitate to reach out to me using the contact information below.

Thank you,

A handwritten signature in blue ink, which appears to read "Jonah Dart-McLean".
