Dedication Ceremony: The Maritime Memorial Wall dedication ceremony typically takes place annually on Memorial Day at 3pm, and is held by the Uniontown Association. The names of every person on the wall will be read at each ceremony.

Cost: The cost of a plaque is \$500.00 if selecting a stock graphic that has previously been engraved on the Maritime Memorial Wall (see attached list); please submit payment in full at the time of application submission.

Custom Graphic: A submission for a custom graphic may be made for an additional \$250.00. Custom graphics must comply with the City of Astoria's memorials and engravings policy, below, and will be reviewed by the City of Astoria and the Maritime Memorial Committee for approval. The finished product will be in line-art style, similar to current graphics. A photo or artwork of the graphic you are seeking should be submitted as part of the application. *Not all custom graphic requests will be accepted by the Committee, please refer to the timeline above.*

Size of Engraving: Individual plaques on the Maritime Memorial Wall are 4" X 12". Please see the following page for an example.

Approval of Application: The Maritime Memorial Committee meets annually between December and January to approve Maritime Memorial applications. The committee may reach out to applicants to gain clarification or request a change, particularly if the graphic and/or inscription is not obviously and directly maritime related. In the rare instance an application is denied, a refund will be granted in full.

Engraving Schedule: Following the Maritime Memorial Committee's approval of applications, a contractor is selected to complete the engravings, typically between April and May when the weather is clear and dry.

Living Applicants: Payment cannot be taken in advance for an engraving after death. Plaques can only be reserved for deceased individuals and prepayment is not an option. Should an individual want to make a request to be placed on the Maritime Memorial Wall after their passing, the Astoria Parks and Recreation Department can provide a certificate to assist in communicating these wishes to next of kin and/or the estate after death. Final submission of the Maritime Memorial application and payment in full according to the costs at the time will be expected from the designated submitter.

Group Placements: Plaques may be placed together or in sequence, however alignment and orientation is not guaranteed on the Maritime Memorial Wall. The plaques must be purchased together, at the same time, and must be indicated on the application form.

Tax Deduction: The fee paid towards a Maritime Memorial Wall plaque is tax deductible under IRS Code Section 170(c)(1); please save your receipt as proof of payment.

Duplicate Engraving: Only one engraving per individual is allowed on the Memorial. Duplicate requests for an individual with an engraving already on the wall will be denied.
