REGULAR AGENDA ITEMS

Item 6(a): **Astor West Urban Renewal District – Plan Amendment Study (Community Development)**

The City Council established Fiscal Year 2015-2016 goals to “develop a master plan for the western entrance to Astoria” and “promote positive economic development through strengthening partnerships.” In addition, the City Council has expressed strong interest in reopening Bond Street to two-way traffic and facilitate revitalization of this key connecting street between the Uniontown and Downtown neighborhoods. On March 21, 2016, the ADC authorized staff to initiate a plan amendment study that would examine the boundary expansion options to include Bond Street and other key projects. Community Development Director Kevin Cronin has prepared a memo detailing the timeline for the undertaking of this process. This item is for Council’s information and discussion and requires no action at this time.
